 Fawn Grove, PA 17321
 (Hereinafter *CLIENT*)

Service Location(s): Middle School West

Scope of Work:

Contractor will provide all labor, material and equipment to remove existing hot water pump set (7½ hp, 460 volt, 3 phase, 291 gpm, Main Hot Water Pump).

Supply and install new pump and motor set with power wiring and piping changes, as needed, with start-up and test.

Project can be completed for the sum of *Five Thousand Two Hundred Twenty Six Dollars (\$5,226.00).*

Note:

Existing pump has both pump and motor bearings going bad.

Repairs to pump and motor would be more expensive.

New pump set will have a one year warranty.

50% down; balance due upon completion of the project.

The pricing in this Agreement is valid for thirty (30) days.
