To the South Eastern School Board Directors:

The South Eastern Tax Reform Coalition is in favor of the “Light Up the Night” Capital Campaign, but we have some concerns regarding the administrative details.

1. To our knowledge, there is no contract between the District and the KD Sports Boosters Club regarding reimbursement of the NCS Group’s fee of \$117,000.
 - We recommend a contract be drawn up to ensure reimbursement and include a timeline when payment(s) is due.
2. It is our understanding that the NCS Group will not charge the District for the two months the District was without a superintendent.
 - We recommend the contract between the District and the NCS Group be amended to reflect such.

Please provide your decision on our recommendations either by email at info@setrc.net or by postal mail at the above address no later than January 6, 2011. Thank you in advance.

Sincerely,

Larry Shipley
President
